

CHAPTER 6.00 - PERSONNEL

Transportation Employee Drug, Alcohol, and other Driver Screening
--

6.111

1. Alcohol and Drug Testing. The School District may conduct random, unannounced alcohol and drug testing, additional driver and supervisor training, and certain other testing and training of transportation employees, pursuant to federal law.
2. Driving Record Review. The School District reserves the right to review the driving records and personal automobile insurance of all employees who operate motor vehicles in connection with School Board business. The Superintendent shall develop procedures to ensure unsafe drivers do not place the District at risk.
