The St. Johns County Elementary Science Technology Engineering and Mathematics Fair

The St. Johns County Elementary Science Technology Engineering and Mathematics (STEM) Fair will be held at Palencia Elementary School Saturday, May 13, 2017, 8-11 a.m. The purpose of this event is to encourage and celebrate student interest in STEM, with the primary goal being to promote student use of science, technology, engineering, and mathematics to solve real world problems. Student representation will be decided at the school level. Teachers, parents, administrators, and community members are welcome to attend.
