

Preventive Maintenance Teams: The Maintenance Department has three preventive maintenance teams and each team consists of fifteen (15) skilled tradesmen such as carpenters, electricians, equipment operators, HVAC mechanics, kitchen appliance technicians, masons, painters, plumbers, roofers and helpers. Each team is responsible for maintaining and servicing fourteen (14) schools and administrative facilities. Each team also performs preventive maintenance work at the facilities for a period of two weeks at elementary schools, middle schools and administrative facilities and three weeks at high schools. The 2014/2015 school year's preventive maintenance schedule begins on August 25 at Ketterlinus Elementary School. The teams will rotate from school to school and conclude the visits on April 17, 2015.
