Free Professional Development for Educators by Educators

EdCamp Citrus is an unconference.

What Does That Mean?

Come enjoy a day with colleagues from across the State of Florida area and beyond. Arrive with an idea for a session that you would like to lead or with the anticipation of a full day of learning. A session might be a discussion about best practices, a collaborative presentation with multiple facilitators or explore a technology tool useful in the classroom.

During the first hour, you will have time to meet other teachers over breakfast. There will be an empty session board where you and all attendees can post session titles.

Over the course of the day, you will have the opportunity to attend up to four sessions. The rule of the unconference is to “vote with your feet”. If a session doesn’t meet your needs, simply get up and move to another room.

You **will** learn something new, maybe make a new friend, and receive information that you can immediately apply in your classroom and professional life!

What is the Cost?

EdCamp Citrus is free. Breakfast and Lunch will also be provided for free thanks to a couple of our generous sponsors.

What Should I Bring?

Bring a friend. Bring a colleague. Unfiltered wi-fi will be available so bring a device to connect. You’ll be able to view the session board online, take notes, and view websites discussed throughout the day.

How Do I Register?

Visit our website www.edcampcitrus.com and click on the “Register” button to reserve your space. Registration is limited.
