MEMORANDUM

TO: District School Superintendents
Deans and Directors of Educator Preparation Programs

FROM: Pam Stewart

DATE: November 23, 2011

SUBJECT: Revisions made to the Florida Principal Leadership Standards

The State Board of Education approved on November 15, 2011, a substantial revision of Rule 6A-5.080, updating the Florida Principal Leadership Standards (FPLS) which set forth Florida's core expectations for effective school administrators. The revised FPLS, based on contemporary research on multi-dimensional school leadership, represent skill sets and knowledge bases needed in effective schools.

The FPLS form a new foundation for school leader personnel evaluations, professional development systems, school leadership preparation programs, and educator certification requirements. Timeframes and guidelines for amending each of these program areas to conform to the new FPLS will be provided by the Department.

A technical assistance academy will be provided January 30-31, 2012, focused on the content of the FPLS and their implications for school leader personnel evaluation systems and preparation programs. Information regarding the meeting location, time and a detailed agenda will be provided in the near future. Representatives from all school districts and from institutions with state-approved Educational Leadership programs should plan to attend.
