Goals	GF-4 Maximize Resources

Public Content

Background Information:

The District currently operates extended day programs at multiple schools. Each of these programs offer a variety of enrichment activities for enrolled students. Principals may offer other after school enrichment activities based upon needs and requests. The RFP establishes minimum requirements for vendors to be considered and added to an approved vendor list for these programs. Vendors are required to return a percentage of their revenue to the school.

Educational Impact:

Encourages students and parents to take advantage of additional learning and growth opportunities which are conducive to the educational process.

Strategic Plan Impact:

Supports the District's Mission Statement by providing additional learning opportunities for students to help them master all academic standards.

Fiscal Impact:

Fees paid to the schools by the vendor provide additional revenue for the purchase of goods and services.

Recommendation:

Approval of RFP #2017-21, After School Enrichment Activities, to all vendors as noted on the attached vendor summary sheet, for the period July 11, 2017 through June 30, 2018.

Action Required:

Approval of the Superintendent's recommendation.

Drafted, reviewed and submitted by:

Patrick Snodgrass, CPSM, Director of Purchasing
Michael Degutis, Chief Financial Officer

Sincerely,
Tim Forson
Superintendent of Schools

Administrative Content

Our adopted rules of Parliamentary Procedure, Robert's Rules, provide for a consent agenda listing several items for approval of the Board by a single motion. Most of the items listed under the consent agenda have gone through Board subcommittee review and recommendation. Documentation concerning these items has been provided to all Board members and the public in advance to assure an extensive and thorough review. Items may be removed from the consent agenda at the request of any board member.
