At the School Board's discretion, such assignment shall be made and become effective at the time the School Board of St. Johns County tenders final payment to the vendor.

GENERAL CONDITIONS, INSTRUCTIONS AND INFORMATION

Proposer: To ensure acceptance of the proposal follow these instructions:

1. **DEFINITIONS:** For purpose of this RFP, "Proposal" refers to the completed RFP Required Response Form above, together with all supporting documentations and submittals. "Proposer" or "Contractor" or "Respondent" refers to the entity or person that submits the proposal. "District" refers to the St. Johns County School District, and "School Board" to the St. Johns County School Board. "Purchasing Department Representative" refers to the Purchasing Department staff member named as its contact on the first page of the RFP. "Conditions" refers to both the General Conditions and the Special Conditions of this RFP.
2. **EXECUTION OF PROPOSAL:** The RFP Required Response Form must be completed, signed, and returned in a sealed envelope to the Purchasing Department, together with the Proposal and all required submittals. All Proposals must be completed in ink or typewritten. If a correction is necessary, draw a single line through the entered figure and enter the corrected figure or use an opaque correction fluid. All corrections should be initialed by the person signing the Proposal even when using opaque correction fluid. Any illegible entries will not be considered for award. The RFP General Conditions, Special Conditions and specifications **cannot** be changed or altered in any way by the Proposal or otherwise by the Proposer. In the event of any conflict between the Conditions and specifications of the RFP and the terms and Conditions of the Proposal, the Conditions and specifications of the RFP take precedence. Any failure to comply with the RFP Conditions or specifications or attempt to alter them by the Proposer shall be grounds for rejection of the Proposal.
3. **SUBMISSION OF PROPOSAL:** The completed Proposal must be submitted in a sealed envelope with the RFP title and number on the outside. Proposals must be time stamped by the Purchasing Department prior to the RFP due time on date due. No Proposal will be considered if not time stamped by the Purchasing Department prior to the stated submission deadline. Proposals submitted by telegraphic or facsimile transmission will not be accepted unless authorized by the Special Conditions of this RFP.
4. **SPECIAL CONDITIONS:** The Purchasing Department has the authority to issue Special Conditions as required for individual proposals. Any Special Conditions that vary from these General Conditions shall take precedence over the General Conditions.
5. **PRICES QUOTED:** Deduct trade discounts and quote a firm net price. Give both unit price and aggregate total. Prices must be stated in units to quantity specified in the RFP. In case of discrepancy in computing the amount of the Proposal, the **Unit Price** quoted will govern. All prices quoted shall be F.O.B. destination, freight prepaid. Proposer is responsible for freight charges. Proposer owns goods in transit and files any claims, unless otherwise stated in Special Conditions. Each item must be proposed separately and no attempt is to be made to tie any item or items in with any other item or items. If a Proposer offers a discount or offers terms less than Net 30, it is understood that a minimum of thirty (30) days will be required for payment. If a payment discount is offered, the discount time will be computed from the date of satisfactory delivery at place of acceptance and receipt of correct invoice at the office specified.
 - a) Taxes: The School Board does not pay Federal excise and State taxes on direct purchase of tangible personal property. The applicable tax exemption number is shown on the purchase order. This exemption does not apply to purchases of tangible personal property made by contractors who use the tangible personal property in the performance of contracts for the improvement of School Board-owned real property as defined in Chapter 192 of the Florida Statutes.
 - b) Mistakes: Proposers are expected to examine the General and Special Conditions, specifications, delivery schedules, Proposal prices and extensions, and all instructions pertaining to supplies and services. Failure to do so will be at Proposer's risk.
 - c) Conditions and Packaging: It is understood and agreed that any item offered or shipped as a result of this RFP shall be new (current production model at the time of this RFP) unless otherwise stated. All containers shall be suitable for storage or shipment, and all prices shall include standard commercial packaging.
 - d) Underwriters' Laboratories: Unless otherwise stipulated in the RFP, all manufactured items and fabricated assemblies shall be U.L. listed where such has been established by U.L. for the item(s) offered and furnished. In lieu of the U.L. listing, Proposer may substitute a listing by an independent testing laboratory recognized by OSHA under the Nationally Recognized Testing Laboratories (NRTL) Recognition Program.
 - e) Preference for St. Johns County Bidders: For all purchases made by the School Board, prices and quality being equal, preference may be given to St. Johns County Proposers, subject to certification as a drug-free workplace (Florida Statutes 287.087 and 287.084).
6. **BRAND NAMES:** The District reserves the right to seek proposals for a particular product or specific equipment by manufacturer, make, model or other identifying information. However, a Proposer may propose a substitute product of equal quality and functionality unless the Conditions or Specifications state that substitute products or equipment may not be proposed and will not be considered. If a substitute product is proposed, it is the Proposer's responsibility to submit

with the Proposal brochures, samples and/or detailed specifications on the substitute product. The District shall be the sole judge in the exercise of its discretion for determining whether the substitute product is equal and acceptable.

- 7. QUALITY:** The items proposed must be new and equal to or exceed specifications. The manufacturer's standard warranty shall apply. During the warranty period the successful bidder must repair and/or replace the unit without cost to the District with the understanding that all replacements shall carry the same warranty as the original equipment. The successful Proposer shall make any such repairs and/or replacements immediately upon receiving notice from the District.
- 8. SAMPLES:** Samples of items, when required, must be furnished free of expense by the RFP due date unless otherwise stated. If not destroyed, upon request, samples will be returned at the Proposer's expense. Proposers will be responsible for the removal of all samples furnished within thirty (30) days after RFP opening. All samples will be disposed of after thirty (30) days. Each individual sample must be labeled with Proposer's name, RFP number, and item number. Failure of Proposer to either deliver required samples or to clearly identify samples as indicated may be reason for rejection of the RFP. Unless otherwise indicated, samples should be delivered to the office of the Purchasing Department of the St. Johns County School Board, Sebastian Administrative Annex, 3015 Lewis Speedway Unit 5, St. Augustine, FL 32084.
- 9. TESTING:** Items proposed may be tested for compliance with RFP Conditions and specifications.
- 10. NON-CONFORMITY:** Items delivered that do not conform to RFP Conditions or specifications may be rejected and returned at Proposer's expense. Goods or services not delivered as per delivery date in RFP and/or purchase order may be purchased on the open market. The Proposer shall be responsible for any additional cost. Any violation of these stipulations may also result in Proposer being disqualified from participating in future competitive solicitations or otherwise doing business with the District.
- 11. DELIVERY:** Unless actual date of delivery is specified (or if specified delivery cannot be met), the Proposal must show the number of days required to make delivery after receipt of purchase order in space provided. Delivery time may become a basis for recommending an award (see Special Conditions).
- 12. REQUESTS FOR CLARIFICATION:** No correction or clarification of any ambiguity, inconsistency or error in the RFP Conditions and specifications will be made to any Proposer orally. Any request for such interpretation or correction should be by email addressed to the Purchasing Department Representative prior to the deadline specified in the Special Conditions for submitting questions. All such interpretations and supplemental instructions will be in the form of written addenda to the RFP. Only the interpretation or correction so given by the Purchasing Department Representative, in writing, shall be binding and prospective proposers are advised that no other source is authorized to give information concerning, or to explain or interpret the RFP Conditions and specifications.
- 13. DISPUTE:** Any dispute concerning the Conditions or specifications of this RFP or the contract resulting from this RFP shall be decided by Purchasing Department and that decision shall be final.
- 14. AWARDS:** Proposals shall be reviewed in accordance with the RFP Conditions and specifications and the best interest of the School District. To that end, the Board reserves the right to reject any and all proposals; to waive any irregularities or informalities; to accept any item or group of items; to request additional information or clarification from any proposal; to acquire additional quantities at prices quoted in the Proposal unless additional quantities are not acceptable, in which case the Proposal must be conspicuously labelled "PROPOSAL IS FOR SPECIFIED QUANTITY ONLY", and to purchase the product or service at the price and terms of any contract with a governmental entity procured by competitive solicitation, in accordance with Florida law. The decision to award a contract or take other action in regard to the RFP shall be made in the best interest of the School District.
- 15. OTHER GOVERNMENTAL AGENCIES:** It is the intent of this solicitation to obtain proposals to sell the services or products to the School Board. Other school boards and governmental agencies/entities may purchase goods or services based on the contract awarded as a result of this RFP. The services and products are to be furnished in accordance with the terms of the resulting contract.
- 16. MARKING:** A packing list must be included in each shipment and shall show the School Board purchase order number, RFP number, school name or department name, contents and shipper's name and address; mark packing list and invoice covering final shipment "Order Completed". If no packing list accompanies the shipment, the buyer's count will be accepted. Mark each package clearly with (A) shipper's name and address, (B) contents, (C) the School Board of St. Johns County purchase order number, and (D) RFP number.
- 17. INSPECTION, ACCEPTANCE & TITLE:** Inspection and acceptance will be at destination shown on purchase order unless otherwise provided. Title to/or risk of loss or damage to all items shall be the responsibility of the successful Proposer until acceptance by the District. If the materials or services supplied to the District are found to be defective or do not conform to specifications, the Board reserves the right to cancel the order upon written notice to the Proposer and return product at Proposer's expense.
- 18. BILLING AND PAYMENT:** Invoices, unless otherwise indicated, must show purchase order numbers and shall be submitted to St. Johns County School District, Accounts Payable Department, 40 Orange Street, St. Augustine, FL 32084. Payment will be made as prescribed in the Special Conditions and properly invoiced.

- 19. COPYRIGHT AND PATENT RIGHTS:** The Proposer, without exception, shall indemnify and hold harmless the School Board and its employees from liability of any nature or kind, including legal fees and other costs and expenses, for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the School Board. If the proposer uses any design, device, or materials covered by letters, patent, or copyright, it is mutually understood and agreed without exception that the proposal prices shall include all royalties or cost arising from the use of such design, device or materials in any way involved in the work.
- 20. OSHA:** The Proposer warrants that the product supplied to the School Board shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition will constitute a breach of contract.
- 21. LEGAL REQUIREMENTS:** The Proposer shall comply with Federal, State, County, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein. Lack of knowledge by the proposer will in no way be a cause for relief from responsibility.
- 22. CONFLICT OF INTEREST:** The award hereunder is subject to the provisions of Chapter 112, Florida Statutes. All Proposers must disclose with their Proposal the name of any officer, director, or agent who is also an employee of the School Board. Bid bonds will be returned to unsuccessful bidders. After acceptance of bid, the Board will notify the successful bidder to submit a performance bond and certificate of insurance in the amount specified in Special Conditions. St. Johns County School District shall be named as additional insured on policies required by detailed specifications. Upon receipt of the performance bond, the bid bond will be returned to the successful bidder.
- 26. DEFAULT AND REMEDIES:** The following remedies for default shall apply.
- a) **Failure to Timely Deliver.** The parties acknowledge and agree that the damages for the failure of the successful Proposer to timely deliver the products or services contracted for may be difficult to determine. Moreover, both parties wish to avoid lengthy delay and expensive litigation relating to the failure of the successful Proposer to deliver on time. Therefore, in the event the successful Proposer fails to timely deliver the products or services contracted for, the School Board may exercise the remedy of liquidated damages against the successful Proposer in an amount equal to 25% of the unit price proposal, times the quantity. The successful Proposer shall pay that sum to the School Board not as a penalty, but as liquidated damages intended to compensate for unknown and unascertainable damages.
- b) **Other Default.** In the event of default for any reason other than the failure of the successful proposer to timely deliver the products or services contracted for, the School Board may exercise any and all remedies in contract or tort available to it, including, but not limited to, the recovery of actual and consequential damages.
- 27. TERMINATION:** In the event any of the provisions of this RFP are violated by the Proposer, the Purchasing Department reserves the right to reject its proposal. - 30. INDEMNITY AND HOLD HARMLESS AGREEMENT:** During the term of this Proposal and any contract awarded to Proposer as a result of this RFP, the Proposer shall indemnify, hold harmless, and defend the School Board, its agents, and employees from any and all costs and expenses, including but not limited to, attorney's fees, reasonable investigative and recovery costs, court costs and all other sums which the Board, its agents, servants and employees, may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or actions founded, thereon, arising or alleged to have arisen out of the products, goods or services furnished by the Proposer, its agents, or employees, or any of its equipment, including, without limitation, claims for damages, injury to person or property, including the Board's property, or death.
- 31. CRIMINAL BACKGROUND SCREENING:** Pursuant to Florida Statute 1012.467 and School Board Rule 7.142, the District will issue and recognize statewide background badges to non-instructional contractor employees who meet the clearance requirements of Florida Statute 1012.467(2)(g) when it is not anticipated that they will come into direct contact with students. However, pursuant to Florida Statute 1012.467 and School Board Rule 7.142, if the District is unable to

rule out that Proposer's employees or subcontractors may come into contact with students, then, in the paramount interest of student safety, the employees will be required to undergo and pass background screening in accordance with School Board Rule 7.142, unless another statutory exemption applies.

For this RFP:

- 32. VENUE:** Any suit, action, or other legal proceedings arising out of or relating to any contract awarded based upon this RFP shall be brought in a court of competent jurisdiction in St. Johns County, Florida. The parties waive any right to require that a suit, action, or proceeding arising out of this Agreement be brought in any other jurisdiction or venue.
- 33. WAIVER OF JURY TRIAL:** The parties knowingly, voluntarily, and intentionally waive their right to trial by jury with respect to any litigation arising out of, under, or in connection with this RFP or any contract awarded upon this RFP. This provision is a material inducement for the School Board to enter into the proposal contract.
- 34. LOBBYING:** Lobbying is not permitted with any District personnel or School Board members in connection with any RFP or competitive solicitation. All oral or written inquiries must be directed through the Purchasing Department. Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and all other groups who seek to influence the governmental decision of a board member or district personnel on the award of this contract. Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Instructions for Certification:

If the Proposer's current certificate of insurance does not meet the amount required, a statement must be included with the proposal document from their insurance carrier indicating that if a Proposal award was made to the firm, that the carrier would write the necessary insurance coverage. The successful Proposer must then have the required insurance placed in force with written notification provided to the Director of Purchasing, prior to issuance of a purchase order that authorizes the work performance to begin.
