Our Mission

The St. Johns County School District will inspire good character and a passion for lifelong learning in all students, creating educated and caring contributors to the world.

Core Values

We believe that...

- Trustworthiness, respect, responsibility, fairness, caring, and citizenship are essential to the well being of individuals and society
- > All individuals have intrinsic value
- > Every individual can contribute something of worth to society
- ➤ Individuals are responsible and accountable for their choices and decisions

Core Values

- ➤ In order to grow and thrive, individuals need caring relationships and a nurturing environment
- ➤ Supportive family relationships are the foundation of the community
- ➤ High expectations lead to higher performance which, in turn, empowers the individual and strengthens society
- Continuous learning is a lifelong process that is essential to a productive and enriched life
- ➤ A safe and orderly environment is conducive to learning

Strategic Delimiters
