3. OPENING COMMENTS BY SCHOOL BOARD AND SUPERINTENDENT

Mr. Mignon attended the Memorial Day Service on May 27, 2019. He commended the JROTC from St. Augustine High School and Allen D. Nease High School stating they did an outstanding job and the event was well attended.

Mrs. Barrera stated that though the transportation services have been a concerned topic for all, in her opinion, even if we could continue with the services we do not have the amount of bus drivers needed or funds to allocate. We can only do what our funding provides.

Mr. Canan added to Mrs. Barrera's statement that every dollar spent for transportation pulls funding from the money that goes toward education in the classroom.

Mrs. Slough attended The Webster School's dance event and was given a plaque for partnering, which will be placed in the Board office. She stated the staff and volunteers at The Webster School did an outstanding job.

Mr. Forson also attended the Webster School dance production. He stated it is always exciting to see the Arts developing and moving forward and giving special opportunities for students. He also shared that he enjoyed attending all of the graduations and is so proud of all of our students and staff. He reminded everyone about the last graduation being held at FCTC today, May 28, at 4 p.m.
