6. CLOSING COMMENTS BY SCHOOL BOARD MEMBERS AND SUPERINTENDENT OF SCHOOLS
Mr. Mignon thanked the local businesses as they have gone out of their way to congratulate the Class of 2020. He asked if there would be changes to the 2020-2021 school calendar.

Mr. Forson replied the 2020-2021 school calendar will continue to move forward as posted; those dates have been have already been voted on.

Mrs. Barrera expressed her gratitude to the graduating class and their families. She stated she had heard positive feedback from people in the community. She shared her appreciation for the upcoming hard work as preparation continues for the next school year and is looking forward to what next year will look like.

Mr. Allen thanked employees, students, parents, and the community for their

cooperation and ability to adapt quickly as adjustments were made. He feels comfortable with the Superintendent and staff as they move forward in addressing the continued challenges. He questioned how certified board training points could be obtained, to which Mrs. Slough provided information.

Mrs. Slough thanked those who presented for the thorough and complete reports. She addressed the Bright Futures Scholarship question of taking the SAT. The opportunity to take the SAT will be clearly communicated when the time comes.

Mr. Forson spoke about how things shifted quickly to online learning for the remainder of this school year. He shared if virtual schooling becomes available next year we will refine and have greater rigor for students. He addressed the after school enrichment programs, stating he hopes to have these programs in schools sometime in June and July, however, decisions cannot be made today as things are still uncertain.
