Your Seat

Find the right seat for your family

- Apply for an open seat at a school outside your zone.
- Seats are assigned through a lottery after the application window closes.
- In-county residents are prioritized; out-of-county families considered if seats remain.
- Students with IEPs may not be eligible if services aren't available at the requested school.
- Transportation is not provided.

Your School

Choose the school that's right for your child

- Flexible Options: Select a school near home, work, or childcare.
- Various Opportunities: Explore programs and activities that best fit your child.
- Long-Term Placement: Students may stay through the highest grade level if attendance and behavior remain in good standing.

Your Choice

Empowering families with options

- Families are notified by email during the week of December 1 and must respond within ten business days.
- Only one school seat can be accepted per student.
- Priority is given to:
 - Students of active-duty military
 - Students impacted by foster care or custody changes
 - Siblings of current students
