Public Content

Background Information:

The facilities Department prepares the Capital Projects Status Report to provide summary information and updates to the Board on the status of capital projects. The report is divided into seven sections: 1) Executive Summary; 2) Projects in the Planning Stage 3) Major Projects Under Construction; 4) Minor Capital Improvements projects; 5) Construction Management Continuing Services Projects; 6) Projects in Close-out/Final Stage; and 7) Financial information.

Educational Impact:

Monthly Report.

Strategic Plan Impact:

Monthly Report.

Fiscal Impact:

Projects as identified in the District's Five-Year Building, Existing Conditions Report and the District's Capital Outlay Budget.

Recommendation:

Acceptance of the Capital Projects Status Report January 2019.

Action Required:

Approval of the Superintendent's recommendation.

Drafted, reviewed and submitted by:

Paul Rose, Executive Director for Facilities & Operations

Cathy Mittelstadt, Deputy Superintendent for Operations

Sincerely, Tim Forson Superintendent of Schools

Capital Projects Status Report January 2019.pdf (2,622 KB)

Administrative Content

Our adopted rules of Parliamentary Procedure, Robert's Rules, provide for a consent agenda listing several items for approval of the Board by a single motion. Most of the items listed under the consent agenda have gone through Board subcommittee review and recommendation. Documentation concerning these items has been provided to all Board members and the public in advance to assure an extensive and thorough review. Items may be removed from the consent agenda at the request of any board member.

CAPITAL PROJECTS STATUS REPORT

DECEMBER 2018

Section 1.

Capital Projects Status Report – December 2018

Executive Summary

The Facilities Department staff is implementing the current capital projects identified in the Educational Plant Survey and the Five-Year Facilities Work Plan. Significant projects include:

- <u>Nease HS Expansion, Renovations & Site Improvements</u>: The design team (Pond and Company) has completed the comprehensive design work for this multi-phase project. The kitchen/dining expansion phase is complete and utilized by school staff and students. The 510-student station classroom expansion/addition facility is complete and in use. Pod D (old Media Center), Pod C (old Admin) and Pod J (Gymnasium) renovations are also complete. The last phase of the overall master plan site work is complete. Renovations of Pod M and Pod O are substantially complete, with punchlist items nearing completion.
- Palm Valley Academy (K-8 "KK"): A Contract was awarded to Charles Perry Partners, Inc. at the August 9, 2016 School Board meeting for Palm Valley Academy located in the Nocatee community. School facility is substantially complete. A successful school opening was achieved on August 10, 2018. Punchlist items are nearing completion.
- <u>Freedom Crossing Academy (K-8 "LL"):</u> Work at Freedom Crossing Academy in the Aberdeen community began after the construction contract was awarded to AFL Construction, Inc. at the September 13, 2016 School Board meeting. School facility is substantially complete. On August 10, 2018 the school was opened to students and staff for a successful school start. Punchlist items are nearing completion.
- Mill Creek K-8 Conversion: A K-8 conversion project is being executed to convert the current Mill Creek Elementary School into a K-8 Academy. SchenkelShultz Architecture is the selected design team with design being accomplished through a reuse contract. Site improvements required for the addition are complete. The construction fencing, construction entrance and pond expansion are complete. A construction contract was awarded to W & J Construction Corporation at the September 11, 2018 School Board meeting. Work for the classroom building and gymnasium began in late September. Tilt wall panels for the classroom building are complete. Tilt wall panel installation for the gymnasium is progressing. The completion of the Mill Creek K-8 Conversion project is scheduled for a 2019-2020 school year opening.

Additional information for the above projects can be found in Sections 2 and 3.

Other projects identified in the Capital Outlay Budget are being implemented, executed and completed including: roof repairs and replacements; elementary and middle school security improvements; media center renovations; science classroom upgrades; miscellaneous school site improvements; security camera system upgrades; building/energy management system upgrades; Dining Additions; Athletic fields/playground renovations and, various other ongoing maintenance projects.

The Capital Projects Status report is divided into seven sections:

- 1. Executive Summary
- 2. Projects in the Planning Stage
- 3. Major Projects Under Construction

Capital Projects Status Report January 2019

- 4. Minor Capital Improvement Projects
- 5. Construction Management Continuing Services Projects
- 6. Projects in Close-out/Final Stage
- 7. Financial Information

The District is in various stages of planning, designing and construction of several major construction projects as identified in the Educational Plant Survey and the Five-Year Facilities Work Plan as approved by the School Board.

The Capital Projects Status Report also includes Sections 4 and 5 referred to as "Minor Capital Improvement Projects" and "Construction Management Capital Projects" which identify projects at individual schools that were approved in the Capital Outlay Budget.

Section 7 is "Financial Information" and includes the 2017 – 2018 Capital Outlay Budget as approved in September 2018 (page 13 of the Capital Outlay Summary Budget) and the current financial report.

Section 2.

Capital Projects Status Report – December 2018

Projects in the Planning Stage

• Mill Creek K-8 Conversion - A K-8 conversion project is currently under construction to convert the current Mill Creek Elementary School into a K-8 Academy. SchenkelShultz Architecture is the selected design team with the design being accomplished through a reuse contract. This contract was approved at the March 13, 2018 School Board meeting. Work will include a dining expansion, classroom building addition, gymnasium building addition and comprehensive related site work. The bid opening for the classroom and gymnasium building additions was held August 31, 2018, and a contract was awarded to W & J Construction Corporation at the September 11, 2018 School Board meeting. Auld & White Constructors, LLC executed the site improvements required for the addition, utilizing the District's Construction Management Continuing Services contract mechanism. Mill Creek Academy's classroom building addition and gymnasium building addition are scheduled for completion for the 2019-2020 school year. Additional phases to include the dining/kitchen expansion and renovations to the media center and administration areas under evaluation and design.
