

4 Year Plan

Student Name: _____ Career Interest: _____

Students, this plan is editable and will likely change as you progress through high school and determine your postsecondary path. This plan will be created between you and your middle school counselor based on your current career interests. In high school, you will work with your school counselor each spring to register for classes the following year. Some courses may or may not be available from this selection once you are in high school, and you will need to meet course eligibility criteria for enrollment in advanced courses and academies.

The number of credits needed in the tables below is indicative of requirements for a 24 credit High School Diploma and does not include requirements for State University Admissions, the Bright Futures Scholarship, graduation test requirements, alternative diploma options, or specific diploma designations. For information on these, please consult the FLDOE Graduation Requirements Flyer: <https://www.fldoe.org/schools/k-12-public-schools/sss/graduation-requirements/>

Students, please highlight your intended level box (standard, honors, etc.) for each subject that also aligns with your career interest. Multiple levels can be highlighted for one subject if you intend to take a mixture of course levels.

For Honors or Advanced Course Placement: Grade "C" or better in previous honors course, grade "A" in the previous standard course with teacher recommendation, SSA Level 4 or 5 but not less than 3 in any area.

Language Arts				
	9th	10th	11th	12th
Standard	English I	English II	English III	English IV
Honors	English I Honors	English II Honors	English III Honors	English IV Honors

			AP Capstone Seminar (E)	IB Psychology 3 (NHS) (E) IB Contemporary History (PMHS) (E) DE POS (USG) AP Capstone Research (E)
--	--	--	-------------------------	--

E – Elective Course
 WH – satisfies World History Credit
 USH – satisfies United States History requirement – EOC is 30% of final grade. ECO – satisfies Economics course requirement
 USG – satisfies United States Government requirement
 SAHS – AICE at St. Augustine High School
 NHS – IB progression at Nease High School
 PMHS – IB progression at Pedro Menendez High School
 BHS-AICE at Beachside High School

**Additional course offerings available at each high school.
 Note: Not all courses are available at all school**
