

# Recommended or Required?

IMMUNIZATION RECORD		Date
Age to Give Vaccine	Vaccine	
At birth	Hep B: 1st dose	2-25-16
2 months	Hep B: 2nd dose	4-30-16
	DTaP: 1st dose	4-30-16
	Hib: 1st dose	4-30-16
	IPV: 1st dose	4-30-16
4 months	PCV: 1st dose	6/25/16
	DTaP: 2nd dose	
	Hib: 2nd dose	
	IPV: 2nd dose	
6 months	PCV: 2nd dose	08/25/16
	Hep B: 3rd dose	08/25/16
	DTaP: 3rd dose	08/25/16
	Hib: 3rd dose	08/25/16
	IPV: 3rd dose	08/25/16
12 months	PCV: 3rd dose	08/25/16
	Flu: once a year	2-25-17
	Hib: booster	2-25-17
	PCV: 4th dose	2-25-17
	MMR: 1st dose	2-25-17
15 months	Var: one dose	05-20-17
	DTaP: 4th dose	07/25/18
	Hep B: catch-up series <sup>1</sup>	07/25/18
	Var: catch-up vaccination <sup>1</sup>	07/25/18
24 months	PCV: catch-up vaccination <sup>1</sup>	07/25/18
	PPV: 2	07/25/18
	Hep A: series <sup>2</sup>	8-30-10
	DTaP: booster	8-30-10
	IPV: booster	8-30-10
	MMR: 2nd dose	
	Td: given every 10 years	
	MMR: catch-up (2nd dose) <sup>1</sup>	
	Preadolescent assessment and catch-up vaccination <sup>1</sup>	

## Do You Know the Difference?

### Federal Recommendations

Each year, the Advisory Committee on Immunization Practices (ACIP) publishes immunization schedules for persons aged 0 through 18 years. These schedules summarize recommendations for routine vaccines for children ages 18 years and younger.

### State Requirements

Prior to entry, attendance or transfer to preschools, schools (K-12), licensed child care facilities, and family day care homes, each child shall have on file a *Florida Certification of Immunization* (Form DH 680) documenting the completion of all required vaccine doses.

Vaccine Name	Vaccine	Ages of Recommended Doses							School Requirements
		Months				Years			
Diphtheria-Tetanus-Pertussis (whooping cough)	DTaP		2	4	6	15-18	4-6		Child care/K-12
Hepatitis A	Hep A					12-23			
Hepatitis B	Hep B	Birth	1-2		6-18				Child care/K-12
<i>Haemophilus influenzae</i> type B	Hib		2	4	6	12-15			Child care
Human Papillomavirus Vaccine	HPV					9-10	11-12		
Inactivated Polio Vaccine	IPV		2	4	6-18		4-6		Child care/K-12
Influenza Vaccine	Flu				Annually				
Meningococcal Conjugate Vaccine	MCV						11-12	16	
Measles-Mumps-Rubella	MMR					12-15	4-6		Child care/K-12
Pneumococcal Conjugate Vaccine	PCV		2	4	6	12-15			Child care
Rotavirus	RV		2	4	6				
Tetanus-Diphtheria-Pertussis (whooping cough)	Tdap						11-12		7-12 grades
Varicella (chickenpox)	Varicella					12-15	4-6		Child care/K-12
