**STATEMENT OF UNDERSTANDING**

I understand that I am requesting application into training to prepare for an Instructional Literacy Coach position. I understand that I am committing to evening sessions and additional reading. I also understand that successful completion of this training will be based on active participation in all sessions and completion of assigned coursework. I understand that, if I have not already done so, I must submit an application packet to Instructional Services Office by Friday, August 31, 2020. Finally, I understand that as a future leader in St. Johns County I will be expected to exhibit professional conduct reflective of such a role.
