BICYCLES, E-BIKES, AND SCOOTERS

Students riding bicycles, electric bicycles, or scooters to school must wear a safety helmet in accordance with Florida Statutes (F.S. 316.2065 and 316.20655). For their safety, students should never ride any type of bicycle, electric bike, or scooter on school grounds. Upon arrival at school, students are required to disembark their vehicle at the entry gate and walk it to the designated storage area. The same protocol should be followed when leaving the campus. Students are encouraged to lock these items in the designated storage area.

Please discuss these changes with your student prior to the start of the school year.
