Savv	vas Translation Directions					
Log into Savvas and click the name in the top right corner, click "Settings"						
realize. Home Browse Classes My Library	Save	Q A Support - Settings Announcements Sign out				
When the Settings window opens you will r	be able to change the preferred language neuronal choosing Spanish	by clicking the dropdown				

This will change the language for the whole platform. To change it back follow the same directions. English and Spanish are the only options for languages in the Savvas platform.

Or

You can also use the translate option in Chrome by right clicking and choosing "Translate to..." and then Click the 3 stacked dots and click "Choose another language" and choose the appropriate language.
