Video 10: Sentence Segmentation

Key Points

- Students learned to segment words in sentences.
- The teacher provided explicit instruction by modeling, explaining, providing guided practice and scaffolding.
- Chips were used to represent words.
- Students were engaged in the lesson and on-task.
- Scaffolding:
 - Teacher helped students who had difficulty with left to right orientation for *Dogs chase cats*.
 - Teacher provided corrective feedback and more opportunities for all students to practice *The man wore a green hat* when students omitted the word green.
