Grade Band	Facilitator	Session Title	Session Description	Monday 8/1/22							Tuesday 8/2/22			Wednesday 8/3/22		
				8:00-9:15	9:30-10:45	11:20-12:30	1:45-3:00	8:00-11:00	12:30-3:30	8:30-3:30	8:00-11:00	8:00-9:25	9:35-11:00	12:30-3:30	12:30-1:55	2:05-3:30
6-12	Marna Fox	Engagement and Critical Thinking in the Secondary Science Classroom	This session will model strategies to promote student engagement and critical thinking in the secondary science classroom as well as how to incorporate literacy strategies and higher-level questioning into your instruction.			■										
6-12	Tom Schwarm	Performance Matters Training	Participants will get an overview of reports available in Performance Matters (PM) and how PM can be used.	■	■		■									
HS IR	Amanda Bergamasco	Achieve 3000 Training	Achieve 3000 is a digital resource that provides differentiated instruction for nonfiction reading and writing to supplement your curriculum. Participants will learn the basics as well as some new tricks for incorporating Achieve 3000 into instruction. If you teach high school Intensive Reading, this session is for you!						■							
6-12	Lincolnville Museum and Cultural Center (LMCC)	African American/Local History	Mandatory for teaches of African American History, MS U.S. History, HS U.S. History(standard/honors/AICE/AP). Optional for all other 6-12 social studies teachers. Learn about local African American History and how it fits into the larger historical context.	■	■	■	■									
MS/HS 3D Art	Antonio Scott	Alginate Plaster Molds 3D	Alginate Plaster Molds 3D Art											■		
HS	Tom Schwarm	ASL Curriculum Map and Assessment Updates (HS)	High School ASL teachers will review curriculum maps, pacing guides, and online resources. The session includes a review of effective instructional and classroom management strategies to promote increased student engagement and higher academic achievement.								■					
Grade 6	Stephanie Mierzwinski	B.E.S.T. Curriculum Resources/PLC (6)	Stephanie Mierzwinski will go over the new pacing guides, curriculum maps and common summative (CSA) dates in the NEW Math Curriculum OneNote. Collaborative PLC time will follow.	■												
Grade 7	Stephanie Mierzwinski	B.E.S.T. Curriculum Resources/PLC (7)	Stephanie Mierzwinski will go over the new pacing guides, curriculum maps and common summative (CSA) dates in the NEW Math Curriculum OneNote. Collaborative PLC time will follow.		■											
Grade 8	Stephanie Mierzwinski	B.E.S.T. Curriculum Resources/PLC (8)	Stephanie Mierzwinski will go over the new pacing guides, curriculum maps and common summative (CSA) dates in the NEW Math Curriculum OneNote. Collaborative PLC time will follow.			■										
6-12	Stephanie Mierzwinski	B.E.S.T. Curriculum Resources/PLC (A1H)	Stephanie Mierzwinski will go over the new pacing guides, curriculum maps and common summative (CSA) dates in the NEW Math Curriculum OneNote. Collaborative PLC time will follow.				■									
6-12	Kate Houston	B.E.S.T. Standards and District Curriculum Resources (6-12)	This session is open to all secondary ELA teachers. Join CAST team members, including the new secondary ELA specialist, Kate Houston, as they share updates and insights into this year's District curriculum resources, including the curriculum maps for the 2022-2023 school year. B.E.S.T. standards expectations and clarifications will also be delivered at this time.									■				
HS	Jenna Yow	B.E.S.T. Standards District Curriculum Resources (AP Courses)	An overview of the 2022-2023 District plan and B.E.S.T. State and AP updates.		■											
6-12	Jenna Yow	B.E.S.T. Standards District Curriculum Resources	An overview of the 2022-2023 District plan and B.E.S.T. State updates.	■												
HS	Jenna Yow	BFW Resource Training (Prob&Stat Hon, AP Stat)	Required for Prob & Stat Hon. teachers and AP Statistics teachers - BFW Resource training.								■					
Biology	Marna Fox	Biology/Honors/PIB/Biology Workshop	This is for teachers new to teaching these courses and/or those wishing to learn more about the design/rigor of the test and how best to prepare your students.										■			
6-12	Christina Tuccillo	Classroom Management Strategies	Classroom management strategies that can greatly improve connection and community while increasing student engagement. Learn preventative strategies that are easy to implement with very little preparation time.				■									
MS/HS Dance	Antonio Scott	CLI Certificate Program/ Independent Studies	CLI Certificate Program/ Independent Studies											■		

Grade Band	Facilitator	Session Title	Session Description	Monday 8/1/22							Tuesday 8/2/22			Wednesday 8/3/22		
				8:00-9:15	9:30-10:45	11:20-12:30	1:45-3:00	8:00-11:00	12:30-3:30	8:30-3:30	8:00-11:00	8:00-9:25	9:35-11:00	12:30-3:30	12:30-1:55	2:05-3:30
6-12	Antonio Scott	Cultural Sensitivity and the Danger of Labels	In an interactive format, participants will engage in critical discussions and walk away with practical resources on the following: 1) What is Culture? 2) Leading with a cultural biography 3) The danger of labels 4) How to embark upon and or sustain the work of leading for diversity, equity, and inclusion. The facilitated presentation draws upon a variety of professional literature and resources as well as personal and professional experiences.													
HS	Marna Fox	Curriculum maps/PLC Anatomy	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
MS/HS	Marna Fox	Curriculum maps/PLC Phys Sci Hon.	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
AP courses	Marna Fox	Curriculum maps/PLC AP Sciences	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
Biology	Marna Fox	Curriculum maps/PLC Bio	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
HS	Marna Fox	Curriculum maps/PLC Chem	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
HS	Marna Fox	Curriculum maps/PLC Environmental	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
Grade 6	Marna Fox	Curriculum maps/PLC Grade 6	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
Grade 7	Marna Fox	Curriculum maps/PLC Grade 7	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
Grade 8	Marna Fox	Curriculum maps/PLC Grade 8	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
HS	Marna Fox	Curriculum maps/PLC Marine	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
HS	Marna Fox	Curriculum maps/PLCPhysics	These sessions will be facilitated by teacher leaders and will go over One Note curriculum maps and resources (including any changes if applicable), Schoology Resources (when applicable) with time for grade and course specific teachers to collaborate. It is suggested that you bring a resource to share with the group facilitator													
Grade 6	Kate Houston	Curriculum Overview and Collaboration	Each of these sessions is open to ELA teachers of that grade-level. Participants will peruse the updated curriculum maps and collaborate with each other in preparation for the coming school year. Please bring a favorite lesson or activity to share with the group.													
Grade 7	Kate Houston	Curriculum Overview and Collaboration	Each of these sessions is open to ELA teachers of that grade-level. Participants will peruse the updated curriculum maps and collaborate with each other in preparation for the coming school year. Please bring a favorite lesson or activity to share with the group.													
Grade 8	Kate Houston	Curriculum Overview and Collaboration	Each of these sessions is open to ELA teachers of that grade-level. Participants will peruse the updated curriculum maps and collaborate with each other in preparation for the coming school year. Please bring a favorite lesson or activity to share with the group.													
Grade 9	Kate Houston	Curriculum Overview and Collaboration	Each of these sessions is open to ELA teachers of that grade-level. Participants will peruse the updated curriculum maps and collaborate with each other in preparation for the coming school year. Please bring a favorite lesson or activity to share with the group.													

Grade Band	Facilitator	Session Title	Session Description	Monday 8/1/22							Tuesday 8/2/22			Wednesday 8/3/22		
				8:00-9:15	9:30-10:45	11:20-12:30	1:45-3:00	8:00-11:00	12:30-3:30	8:30-3:30	8:00-11:00	8:00-9:25	9:35-11:00	12:30-3:30	12:30-1:55	2:05-3:30
Grade 10	Kate Houston	Curriculum Overview and Collaboration	Each of these sessions is open to ELA teachers of that grade-level. Participants will peruse the updated curriculum maps and collaborate with each other in preparation for the coming school year. Please bring a favorite lesson or activity to share with the group.													
Grades 11/12	Kate Houston	Curriculum Overview and Collaboration	Each of these sessions is open to ELA teachers of that grade-level. Participants will peruse the updated curriculum maps and collaborate with each other in preparation for the coming school year. Please bring a favorite lesson or activity to share with the group.													
Grades 11/12	Kate Houston	Delivering Code A Interventions	This session is for all ELA educators in grades 11-12 who teach Code A students. Who's a Code A student? Any child whose testing data indicates a deficit in reading comprehension ability. These kids score below proficient on state tests and have progress monitoring data that shows them consistently low-on or below grade level with reading. As ELA teachers, we must deliver *weekly* small group interventions to these students. How do we do that? Come to this session to learn ways and get ideas on how to work small group instruction into your secondary classroom.													
6-12	Kate Houston	Delivering Code A Interventions in the ELA Classroom	This session is for all ELA educators in grades 6-12 who teach Code A students. Who's a Code A student? Any child whose testing data indicates a deficit in reading comprehension ability. These kids score below proficient on state tests and have progress monitoring data that shows them consistently low-on or below grade level with reading. As ELA teachers, we must deliver *weekly* small group interventions to these students. How do we do that? Come to this session to learn ways and get ideas on how to work small group instruction into your secondary classroom.													
6-12	Bridget Jeffers Courtney Johnson	Differentiated Instruction: What is it and How do I get Started?	This session will provide a definition of differentiated instruction and what it could look like in a secondary classroom. We will also provide the opportunity for participants to develop differentiated lesson plans based on the course standards, and review the various learning modalities we support in our classroom.													
MS/HS Theatre	Antonio Scott	Drama Teacher Academy	Drama Teacher Academy/ Independent Studies													
MS IR Teachers	Amanda Bergamasco	ELA - Wilson Just Words for Middle Grades IR Teachers	Just Words is a highly explicit, multisensory decoding system for students who have gaps in their decoding proficiency. Middle Grades Intensive Reading teachers are strongly encouraged to participate. This session is a full day.													
6-12	Kaley Presnell	ESE Access Point Resources														
6-12	Lourdes Khosrozadeh	ESOL strategies for the Gen Ed classroom														
6-12	Kate Houston	FAST Updates and Know-How	In this session, secondary ELA teachers can hear the latest updates and news about the FLDOE's new assessment plan. As the summer unfolds, CAST and AIS team members have closely monitored and recorded all the details about the Florida Assessment of Student Thinking in order to share them with our ELA faculty. Participants will leave this session with sound knowledge about the FAST tests, both the progress monitoring and summative pieces that will be given in the 2022-2023 school year.													
HS	Kim Wuellner	Foundational Skills in Mathematics 9-12 teachers	Teachers who will be teaching Foundational Skills in Mathematics 9-12 will review and discuss the new curriculum maps and resources.													
6-12	Kate Houston	H.O.T. in the Classroom - Crafting Critical Questions & Thinking for (and with) Students	Higher order thinking is something good teachers strive to imbue in our classrooms. This session is for any secondary teacher looking to increase their ability to craft and deliver H.O.T. questions and activities for and with their students. Participants will gain insight into Webb's Depth of Knowledge and come away with new skills and ideas to use when crafting critical thinking scenarios both for and with students.													
6-12	Danielle Compton	Happy Class	This facilitated training utilizes online modules by TotemPD and structured mentoring to provide teachers with ready-to-use strategies to manage students with disabilities in their classroom (any grade, any age) with a smile. Prepare to enjoy your job again! Learn proactive interventions to address the challenges you are going to face so you can set-up your students with disabilities for behavioral success.													

Grade Band	Facilitator	Session Title	Session Description	Monday 8/1/22							Tuesday 8/2/22			Wednesday 8/3/22		
				8:00-9:15	9:30-10:45	11:20-12:30	1:45-3:00	8:00-11:00	12:30-3:30	8:30-3:30	8:00-11:00	8:00-9:25	9:35-11:00	12:30-3:30	12:30-1:55	2:05-3:30
6-12	Bridget Jeffers Courtney Johnson	High Yield Instructional Strategies to Congnitively Engage Students (AKA: How to Stop Lecturing and Create a Student-Centered Classroom)	This interactive session will provide information on multisensory instruction and how it can be incorporated to create a student-centered classroom in a secondary setting.			■										
6-12	Florida Holocaust Museum (FHM)	Holocaust Education	Mandatory for teachers of MS World History(stand/adv), HS World History(stan/hon/Pre-IB/AP), AICE International History, HS U.S. History(stan/hon/AICE/AP/IB), World Cultural Geography, Int'l Relations, Sociology. Optional for all other 6-12 social studies teachers. Learn about proper pedagogy for Holocaust instruction and become acquainted with accessible resources from the FHM.	■	■	■	■									
HS	Florida Joint Center for Citizenship (FJCC)	HS US Government	Mandatory and only available for teachers of HS U.S. Government(stan/hon/Pre-IB/AP). Learen about the Florida Civic Literacy Exam (FCLE) and review resources from the FDOE and FJCC.	■	■	■										
HS Weight Lifting	Antonio Scott	HS Weight Training	Weight Training - TBD											■		
6-12	Laura Wynn	Incorporating Primary Sources Into Social Studies Instruction	Learn a few strategies for incorporating both visual and text-based primary sources in your instruction. The strategies discussed in this session can be used in any social studies classroom…from standard to college-level.			■	■				■					
6-12	Kate Houston	Independent Reading in the Classroom	While the days of D.E.A.R. are long gone, independent reading in the secondary ELA classroom can still work and is still important. Join this session if you'd like to hear about a model for incorporating regular independent reading into your classroom routine. Suggestions for setting up and working through the system will be shared, as well as ideas for tying students' choice reading to the standards they're studying during instruction. If you have an idea or system that works, bring that to share as well!				■									
6-12	Paula Steele	Leadership				■						■				
MS/HS PE	Antonio Scott	Learning the Ropes	Learning the Ropes: Redefining Jump Rope in Secondary PE programs											■		
Grades 7-8	Laura Wynn	M/J US History Training	Mandatory and only available for teachers of MS U.S. History who did not attend this session in July. Learn about the MS course progression change, curriculum maps, course pacing and correlations to Civics content.	■	■		■									
Grades 6 & 7	Stephanie Mierzwinski	Math Nation training (6/7)	Required for Grade 6/7 math teachers - Math Nation resource training.						■		■			■		
Grades 7 & 8	Stephanie Mierzwinski	Math Nation training (7/8)	Required for Grade 7/8 math teachers - Math Nation resource training.						■		■			■		
Grade 8	Stephanie Mierzwinski	Math Nation training (8)	Required for Grade 8 math teachers - Math Nation resource training.					■								
6-12	Stephanie Mierzwinski	Math Nation training (A1H)	Required for Algebra 1 Honors teachers - Math Nation resource training.					■								
HS	Jenna Yow	Math. for Data and Fin. Lit. Hon teachers	Mathematics for Data and Financial Literacy Honors teachers will review and discuss curriculum maps and S1 plans.				■									
HS	Kim Wuellner	Mathematics for College Liberal Arts teachers	Mathematics for College Liberal Arts teachers will review and discuss curriculum maps and S1 plans.			■										
6-12	Jenna Yow	McGraw-Hill Resource Training (AGA)	Required for Algebra 1, Geometry, Geometry Honors, Algebra 2, Algebra 2 Honors teachers - McGraw-Hill resource training.					■	■		■			■		

Grade Band	Facilitator	Session Title	Session Description	Monday 8/1/22							Tuesday 8/2/22			Wednesday 8/3/22		
				8:00-9:15	9:30-10:45	11:20-12:30	1:45-3:00	8:00-11:00	12:30-3:30	8:30-3:30	8:00-11:00	8:00-9:25	9:35-11:00	12:30-3:30	12:30-1:55	2:05-3:30
MS/HS Band	Antonio Scott	MS/HS Band	Utilizing InHouse Expertise and More													
MS/HS Chorus	Antonio Scott	MS/HS Chorus	TBD													
MS/HS Photo./Dig Art	Antonio Scott	MS/HS Photography / Digital Art	TBD													
HS	Jenna Yow	National Geographic Resource Training (Precalculus Honors)	Required for Precalculus Honors teachers - Nat'l Geo. Cengage resource training.													
6-12	Marna Fox	New to Teaching - routines, structures and communication	This session is for teachers within their first years of teaching who wish to learn how to set up routines and structures in their classroom to support classroom management and student success.													
6-12	Amanda Bergamasco	Planning for Effective Intensive Reading Instruction with UFLI (6-12 IR)	This session focuses on differentiated small group instruction in the intensive reading class. We will support students with the science of reading and our foundational standards to ensure students are successfully engaged. You will leave with ideas for student literacy stations!													
6-12	Antonio Scott	Professional Learning Communities and Facilitative Leadership	Collaborative work will focus on strategies for aligning the work of PLCs to essential standards (ES), unpacking those standards, determining learning targets that improve the quality of instruction and assessment. Participants will increase their skill set to lead PLCs that promote rigor and relevance, increases in student achievement and the consistent use of high-leverage instructional practices.													
HS	Amanda Bergamasco	Rewards - High School IR Teachers	Rewards is an explicit, systematic, literacy system used in Intensive Reading classrooms. It focuses on providing instruction on multisyllabic words and comprehending content-area text. This session is for High School Intensive Reading Teachers													
6-12	Jessica Balla Michelle Curtin	RtI/MTSS information	This session will provide a short overview of RTI -what is it? and the "why" behind it The various Tiers and progress monitoring vs. interventions Basics about meetings, paperwork and expectations													
HS	Jenna Yow	Savvas Resource Training (MCollAlg, MCollLibArt, AP Calc)	Required for MCA, MCLA and AP Calc teachers - Savvas resource training.													
MS/HS 2D Art	Antonio Scott	School Specialty	Illuminated Manuscripts 2D Art													
6-12	IRMS - virtual	Schoology 101 Training	TBD													
6-12	IRMS - virtual	Schoology 101 Training	TBD													
6-12	IRMS - virtual	Schoology for the veteran teacher	TBD													
6-12	IRMS - virtual	Schoology for the veteran teacher	TBD													
6-12	IRMS - virtual	Schoology Training	TBD													
6-12		Schoology Training	TBD													

Grade Band	Facilitator	Session Title	Session Description	Monday 8/1/22							Tuesday 8/2/22			Wednesday 8/3/22		
				8:00-9:15	9:30-10:45	11:20-12:30	1:45-3:00	8:00-11:00	12:30-3:30	8:30-3:30	8:00-11:00	8:00-9:25	9:35-11:00	12:30-3:30	12:30-1:55	2:05-3:30
6-12	Marna Fox	Secondary STEM Fair Information for MS and HS	This session will give suggestions for student topics, mentoring students with promising projects, timeline suggestions and paperwork pitfalls. School STEM fair coordinators should attend; this session is also good for anyoen who participates/in involved in their school's secondary fair.													
HS	Tom Schwarm	Spanish Curriculum Map and Assessment Updates (HS)	High School Spanish teachers will review curriculum maps, pacing guides, and online resources. The session includes a review of effective instructional and classroom management strategies to promote increased student engagement and higher academic achievement.													
MS	Tom Schwarm	Spanish Curriculum Map and Assessment Updates (MS)	MS Spanish teachers will review curriculum maps, pacing guides, and online resources. The session includes a review of effective instructional and classroom management strategies to promote increased student engagement and higher academic achievement.													
6-12	Kim Wuellner	Stations, escape rooms and other engaging activities	In an interactive format, teachers will learn how to incorporate differentiated activities that are engaging, fun and easy to implement.													
6-12	Marna Fox	Strategies for Teaching Honors Physical Science	This is for new or experienced teachers who wish to learn strategies for some of the "tough to teach" topics in the Honors Physical Science classroom. Activities are part of this session.													
6-12	Bridget Jeffers Courtney Johnson	The PLC Process: An Introduction (or refresher for those who might like one)	This session will provide a brief overview of the Professional Learning Community process. Topics will include establishing PLC Team Norms, understanding and implementing the Four PLC Questions, and maintaining collaboration among a PLC Team.													
6-12	Kim Wuellner	Tiles, Tiles, Everywhere	In an interactive format, teachers will learn how use manipulatives to help students make mathematical connections.													
6-12	Kate Houston	Unpacking the B.E.S.T. Standards - for novice and new to St. Johns teachers	St. Johns County schools adopted the new B.E.S.T. standards in ELA Instruction last year, in advance of the state requirement to do so. Are you new to teaching ELA or new to teaching in our District? Are the B.E.S.T. standards Greek to you? If so, please join this session to gain a working knowledge of the new state standards for English Language Arts instruction. Participants will wade into the shallow end of the standards and leave this session with key understandings of the way the standards are structured. They will also unpack several of the key standards for their grade-levels. All secondary ELA teachers are invited to attend.													
Grade 11	Laura Wynn	US History Item Specs	Mandatory and only available for teachers of HS U.S. History(stan/hon). Learn about the FDOE U.S. History Test Item Specifications document, EOC test design, and how to write proper items for the course.													
6-12	Deb Robbins	Using the Mathematical Thinking and Reasoning Standards (MTRs)	The Mathematical Thinking and Reasoning Standards (MTRs) are a part of every K-12 math course and describe what student engagement should look like in the math classroom. Participants will learn about the MTRs and strategies that will make the MTRs a part of every class.
