4th Wednesday Professional Learning
Elementary Gen. Ed. Options

On each **4th Wednesday** during the 2026–2027 school year, teachers will engage in meaningful professional learning designed to support instructional excellence and student success. This year, you have the **flexibility** to choose a learning path that meets your needs and aligns with your professional goals. Whether you are building new skills, earning an endorsement, or completing recertification requirements, there is a pathway for you.
