Instructional Model	Brick & Mortar	Distance Learning	Virtual Learning	
[as determined by St. Johns County School District]	↓	↓	↓	
	Regular Elementary Schedule (Students attend brick & mortar every day)	Distance Learning (order and pace match brick & mortar)	Virtual Learning (order and pace do not match brick & mortar) Enrollment criteria applies.	
	Regular Secondary Schedule (Students attend brick & mortar every day)	Deadline to apply (July 17) Available through first semester of 2020-2021 SY only	Deadline to Apply (July 17) Semester Commitment	

In the event of a directive from the local health department or a State executive order, a classroom/school closure may be required.

Commonly used vocabulary: **Brick and Mortar** - Teaching and learning occurs on the school campus. School closures, as required by local health officials or executive order, will result in an adjustment to distance learning. **Distance Learning** - Online instructional model that mirrors the pace and rigor of brick and mortar. Students remain attached to the current school. Distance Learning is available through first semester of 2020-2021 school-year only. **St. Johns Virtual School** - A fulltime virtual school allowing flexibility with pace. The curriculum maps (order and pace) do not align to brick and mortar. Students withdraw from their current school. Enrollment criteria applies. SJVS is a program of choice and an application must be completed before acceptance.
