ELA Learning Gains (Schoolwide)	72%
Math Learning Gains (Schoolwide)	50%

SIP AREAS OF FOCUS

STUDENTS WITH DISABILITIES (MATH/ELA)

Measurable Outcome: 2%-point increase in scores each school year to allow students in this subgroup to increase mastery of state standards in Math.

Action Steps:

- Monitor SWD and L25 progress using Performance Matters data.
- Analyze ELA data weekly during PLCs to guide instruction.
- Provide data-driven math tutoring and push-in support.

COLLEGE & CAREER ACCELERATION

Measurable Outcome: A 2-point improvement in this category which will raise the College and Career Readiness score to 92%.

Action Steps:

- Data Chats with students based on formative and summative results.
- Goal setting with students based on progress monitoring data.
- Course- and grade-level weekly PLC meetings with teachers and administrative faculty.

STUDENT ATTENDANCE

Measurable Outcome: A 50% decrease in students missing 10% or more instructional time; a continued decline in over the next 3 years.

Action Steps:

- Administrative meeting to review attendance data & establish yearly goals.
- Communicate with parents of chronically absent students from 25-26.
- Communicate attendance data to PTO and SAC.
- MTSS will create attendance plans to be monitored every six weeks and meet with parents.
