Try Something New!

Entrée

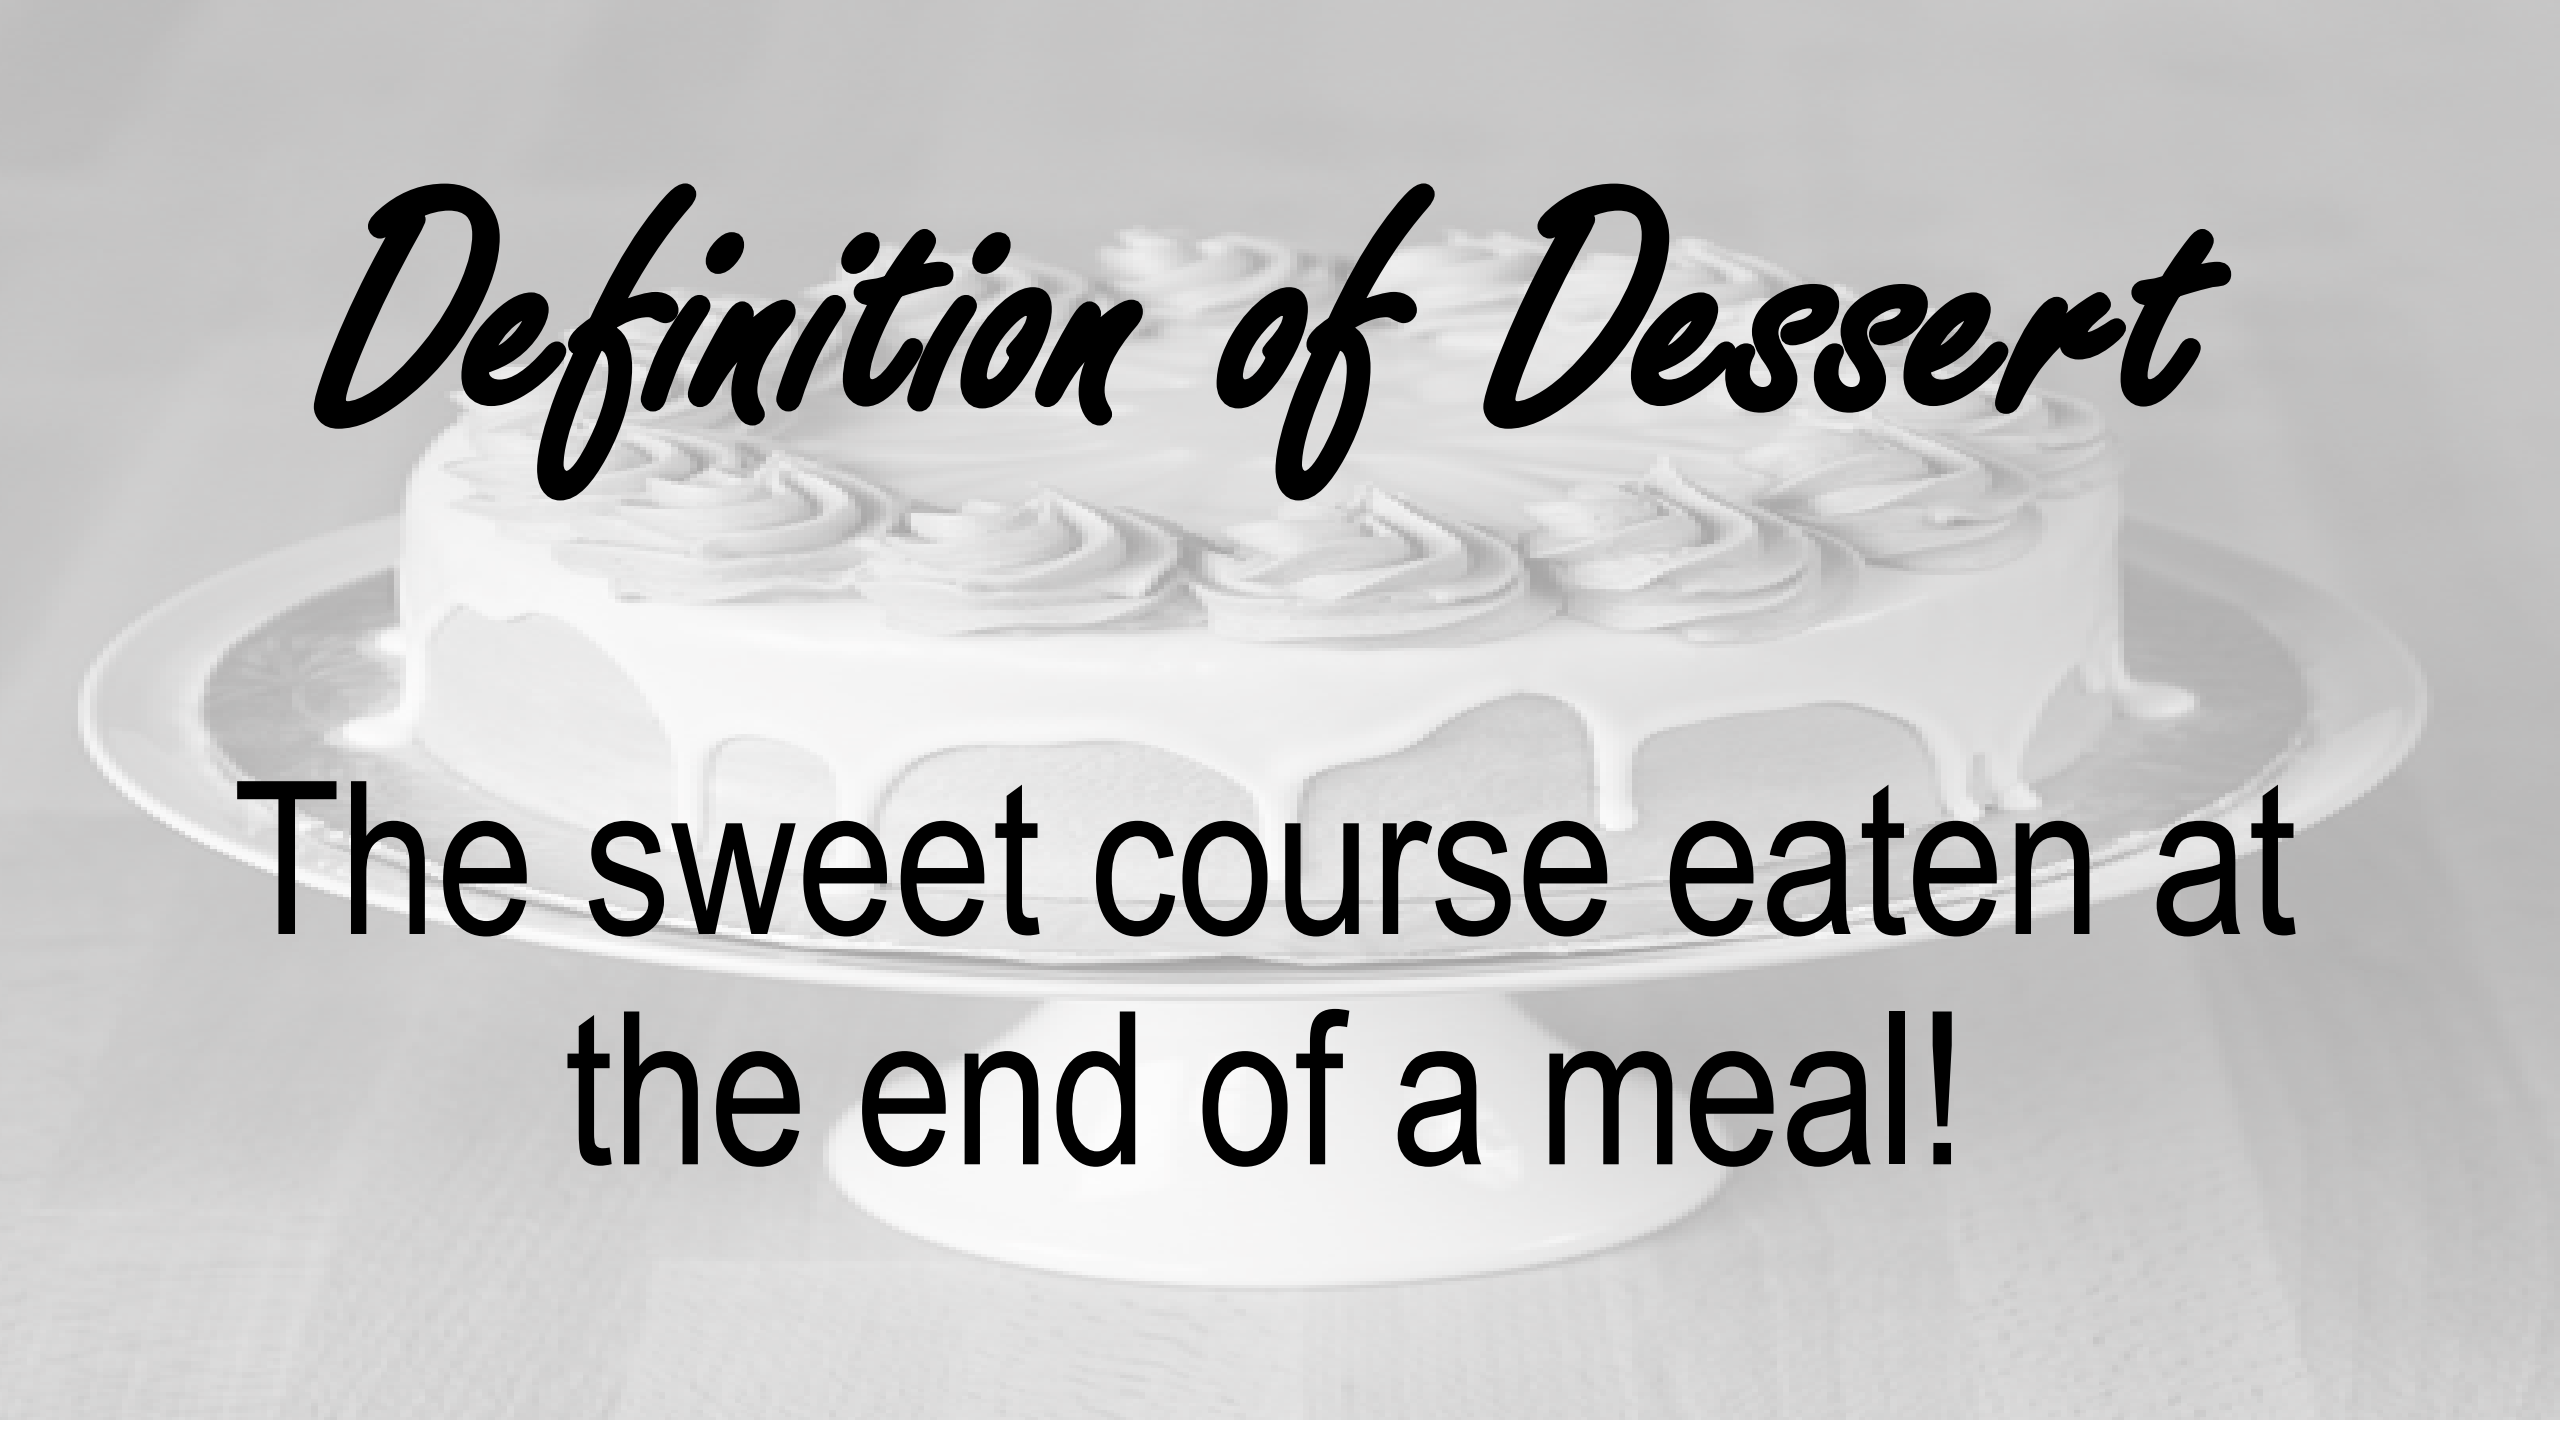

A recent study by the Harvard Business Review found that trying something new, like learning a new skill or engaging in new tasks at work can buffer against stress and anxiety, rather than relaxing and taking a break.

And then what happens!

After you've worked hard and done your best, you get to do whatever you want to do!

Friendly Advice:

*Work hard and savor each precious moment
of your journey, because just when you think
you're done another journey begins!*

A white cake with white frosting on a white stand. The cake is decorated with white frosting swirls on top and white frosting drips on the sides. The stand is a simple white pedestal.

*I've always wanted
to do this!*
