

DRILLS

Power

Marching

Dental

Not those kind of drills

- ▶ We are talking about these drills

Tornado Drills

Fire Drills

Lockdown Drills

Today we are going to look at Lockdown Drills

- ▶ We want you to know that our school is very safe, and you are very safe being here. But lets talk about a few things that can make our school even safer.
- ▶ Today we will learn what to do in a lockdown drill.
- ▶ We will talk about what to do and **ALWAYS** listening to your teacher.

Speaking of ALWAYS, lets look at the ALWAYS rules.

Always

Always LISTEN to the School Teachers, Administrators or Trusted Adults.

**Teachers, Para's and
Substitutes**

**Principals, Deans,
Counselors and other
Administrative Adults**

**Custodians, Lunch
Room Personal and
Law Enforcement**

Always

Try and remain calm and quiet as possible. When you are calm you will listen and react better.

Sometimes this can be difficult but really try

Quiet as a mouse, like playing hide and seek with your friends

Take some deep breaths

Always

Be prepared to be still and quiet for a long period of time.

Lie on the floor close to your "Safe Wall" like Superman

Remember to be very quiet
Like a game of hide and seek with your friends

Be prepared this may last a long time

Always

Stay off your cell phones and put them in silent mode, if you have one.

**Staying off of your cell phone will allow you to pay attention to the Teacher / Trusted Adult in the area.
By silencing your device it allows you to stay hidden.**

Always

Move quickly and Quietly to the Closest and Safest location following directions from a trusted adult

Move as quickly as possible when you hear the lockdown signal.

Move as quietly as possible and to the closest, safest area with an adult.

A Assess: What do you hear and see?

L Lockdown: When the lockdown occurs follow your trusted adult.

E Evade: If you cannot lockdown then evade away from danger.

R Resist: If you cannot lockdown or evade, a last resort is to resist.

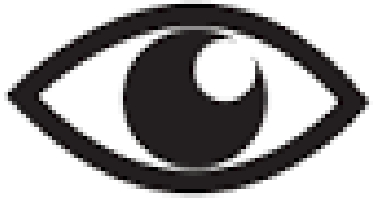

T Tell: If you see anyone or anything unusual, tell an adult immediately.

Never open a door!!!

Never open a door for anyone. Let the person on the other side find the correct door to enter. This is one of your times it's ok to ignore an adult or stranger. We know you are being nice but they need to go in the correct door to check in.

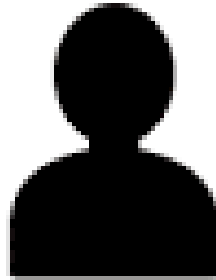

If You

**SEE
SOMETHING**

**SAY
SOMETHING**

Please, Please, Please if you see something say something.

If you see, hear or read anything that could be alarming or something that does not sound right please tell an adult.

When a tip is submitted on the FortifyFI app anonymous or non-anonymously it will go directly to the School Officials and Law Enforcement of the school you selected.

Anyone can place a tip on the FortifyFI app to include Students, Parents, Concerned Citizens.

If you see or hear something please say something. FortifyFI is your way of saying something 24hrs a day 7 days a week.

Thank You!

*Stay Safe
and
Healthy*
