Speed

Not those kind of drills

- ▶ We are talking about these drills

Tornado Drills

Fire Drills

Lockdown Drills

Today we are going to look at Lockdown Drills

- ▶ We want you to know that our school is very safe, and you are very safe being here. But lets talk about a few things that can make our school even safer.
- ▶ Today we will learn what to do in a lockdown drill.
- ▶ We will discuss good practices around the school.
- ▶ We will talk about the importance of **ALWAYS** listening to your Teacher.

Speaking of ALWAYS, lets look at the ALWAYS rules.

Always

Always LISTEN to the School Teachers, Administrators or Trusted Adults.

**Teachers, Para's and
Substitutes**

**Principals, Deans,
Counselors and other
Administrative Adults**

**Custodians, Lunch
Room Personal and
Law Enforcement**

Always

Try and remain calm and quiet as possible. When you are calm you will listen and react better.

Remain calm and focus on your surroundings

Take some deep breaths and start planning your options

It is important to stay silent for the purposes of hearing and staying concealed

Always

Be prepared to be still and quiet for a long period of time.

Lie on the floor close to your "Safe Wall" like Superman

Remember to be very quiet this is important to stay concealed

Be prepared this may last a long time

Always

Stay off your cell phones and put them in silent mode, if you have one.

Staying off of your cell phone will allow you to pay attention to the adult in the area. By silencing your device it allows you to stay concealed. Taking videos or pictures will distract you and cause you to lose focus and clarity on your immediate surroundings.

Always

Move quickly and Quietly to the Closest and Safest location with a trusted adult

Move as quickly as possible when you hear the lockdown signal.

Move as quietly as possible and to the closest, safest area with an adult.

Anyone

Who can

Call for a

LOCKDOWN

The New: Centegix Crisis Alert System

When the Lock Down is activated the following warnings will occur.

A RED strobe light will flash around the campus

A Lock Down Message will appear on computer screens

A message will be heard on the P.A. system

These are your warnings that a Lock Down has been initiated and you are to follow your Lock Down procedures

**When the
lockdown
is given it
should
look like a**

**Ghost
Town**

A Assess: What do you hear and see?

L Lockdown: When the lockdown occurs move quickly and quietly to the closest area preferably with an adult.

E Evade: If you cannot lockdown then evade (run away) away from danger.

R Resist: If you cannot lockdown or evade, a last resort is to resist. Work together for best results.

T Tell: If you see anyone or anything unusual, tell an adult immediately.

What if you are arriving or departing when a lockdown occurs?

If you are driving, biking, walking or parent pick up/drop off and a lockdown occurs your actions will be the same.

If you can safely turn around and leave the campus, do so. Return home and stay there. Notify your parents that you are safe

If the threat is in the immediate area of where you are then use your ALERT. Assess, Lockdown, Evade, Resist and Tell.

Do not enter the building unless it is necessary to avoid the threat outside.

If You

**SEE
SOMETHING**

**SAY
SOMETHING**

Please, Please, Please if you see something say something.

If you see, hear or read anything that could be alarming or something that does not sound right please tell an adult.

All schools will have a main entry point (front desk). Never open a door or gate for someone. Always direct them towards the front desk so they may check in properly. This is a crucial part of keeping our school safe.

When a tip is submitted on the FortifyFI app anonymous or non-anonymously it will go directly to the School Officials of the school you selected. Local Law Enforcement will also get a copy of the tip with State Level Officials. Local Law Enforcement will coordinate with School Officials to investigate and follow through on the tip. State Level Officials will follow up to assist or oversee the tip was followed through.

Anyone can place a tip on the FortifyFI app to include Students, Parents, Concerned Citizens.

If you see or hear something please say something. FortifyFI is your way of saying something 24hrs a day 7 days a week.

THANKS FOR LISTENING

ANY QUESTIONS?
