Dear St. Johns County School Board,

I am writing to express my interest in the position for Superintendent of Schools. With a comprehensive background in educational leadership, a commitment to student success, and a passion for building strong and confident graduates, I am well-prepared to contribute to the ongoing success of St. Johns County Schools.

My professional journey has provided me with a diverse set of skills and experiences that bridge both district-level expertise and classroom engagement. Presently, I serve as a full-time Professor of Human Resources, Education & Sports Management at the University of North Florida where I teach graduate and doctoral-level courses in School Finance, Human Resources, and Leadership. As a Certified CANVAS Course Developer at UNF and a member of the Research Team (UNF) for Florida Educator Leadership Preparation, I am deeply committed to enhancing educational practices and policies. Additionally, my recent role as a Secondary Science teacher at Veritas Classical School has allowed me the opportunity to stay connected with the current dynamics of classroom instruction.

Prior to my current roles I had a successful tenure as Principal of Pedro Menendez High School from 2007 to July 2023, where I spearheaded the development of the International Baccalaureate (IB) and Advancement Via Individual Determination (AVID) and Career Academy Programs. Under my leadership we implemented effective action plans that transformed a "D" rated school into a consistently rated "A & B" school, demonstrating my ability to lead robust initiatives that foster academic excellence among both students and faculty.

From 2001 to 2007 I served as Principal of Fruit Cove Middle School during which time I managed the construction project for a rapidly growing K-8 school and directed zoning initiatives that led to the establishment of the DCES K-4 and FCMS 5-8 programs. My efforts in developing a Gifted Program positioned the school as one of Florida's top-performing middle schools.

Earlier in my career I gained valuable experience as an Assistant Principal at Mill Creek Elementary School where I was instrumental in creating a student success tracking and tutoring program, as well as contributing to the construction of the on-campus O'Connell Medical Center. My leadership journey

began as Dean of Students in the Putnam County School District where I successfully led budget development for the Federal Juvenile Justice Grant and implemented a discipline plan adopted by several districts including the St. Johns County School District.

My extensive experience in educational leadership at the highest levels, coupled with my commitment to fostering collaborative environments that promote student achievement and workforce readiness, positions me as an ideal candidate for the Superintendent of Schools role. I am eager to bring my expertise in curriculum development, program implementation, and strategic planning to your institution.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and vision align with your goals for advancing workforce development.

Educationally Yours,

*Clay Carmichael*

### **PROFILE SUMMARY**

I am a dedicated and outcome-driven educator with extensive experience in educational leadership, seeking the position of school superintendent for the St. Johns County School District (SJCSD). I have a proven track record in building the capacity of instructional leaders through targeted professional development programs, coaching, and strategic feedback focused on school improvement efforts. My strengths lie in implementing educational and instructional programs while ensuring the efficient operation and academic management of schools in alignment with School Board policy and strategic initiatives. I excel at fostering strong connections among teachers, students, and parents to create a collaborative learning environment. With experience in district office level leadership, international education, staff development, and program implementation, I am committed to enhancing credibility, teamwork, and holistic student growth throughout the district.

### **HIGHLIGHTS OF QUALIFICATIONS**

- Promoted an educational environment that encourages change and conflict resolution.
- Experienced in implementing cost-effective measures that reduce operational expenses while maintaining high educational standards.
- Skilled in school financial management, human resources, and high-impact instructional strategies, including Marzano and Davidson frameworks.
- Administered the development and maintenance of a positive educational program designed to meet the community's needs and carry out the boards' policies.
- Ensured that the district complies with all constitutional or statutory laws, state and charter regulations, and Board policies.
- Collaborated with the Board of Education to build and maintain the district's financial stability, to increase communications to improve relationships amongst district stakeholders, and to increase student achievement.
- Implemented regular staff meetings and maintained an open-door policy to establish trust and effective working relationships.

### **PROFESSIONAL EXPERIENCE**

UNIVERSITY OF NORTH FLORIDA – Jacksonville, FL

#### **Visiting Professor (Full-time)**

August 2024 – Present

- Instructing School Finance, Human Resources, and Educational Leadership courses to 107+ graduate and doctorate-level students, including
  - EDS 6130: Human Resource Development in Education
  - EDA 6242: School Finance
  - EDG 6625: Curriculum and Learning Practicum
  - CIRT Certified Teaching Online Foundations
  - EDA 6196: Leadership for Learning Organizations
  - EDA 6945: Practicum in Educational Leadership
  - EDS 6050: Instructional Leadership
- Develop and deliver engaging, high-quality lectures using student-centered teaching methodologies and inclusive education practices to prepare.
- Oversee all aspects of school operations, including curriculum development, instructor qualification, program evaluation, student progression, and educational requirements.
- Research Team Member on Florida Educator Leadership Preparation (Fall 2024): Conduct research on leadership development for Florida schools, focusing on educational leadership, professional learning communities, administration,

curriculum development, instructional practices, online teaching and learning, human resource development in education, and interdisciplinary topics such as environmental science and paleoanthropology.

- Developed and delivered the EDA 6215 course on Developing Community Resources.
- Participate actively and exercise collaborative peer leadership in college-level and university-level curriculum committees, ensuring continuous improvement in undergraduate and graduate curriculum design and delivery.
- Prepare course materials such as syllabi, homework assignments, assessments, and handouts aligned with course learning objectives.
- Manage class discussions that encourage critical thinking and healthy class discourse.
- Facilitate engaged learning by mentoring and advising students and collaborating with faculty on curriculum development and academic service activities to promote student success.

JACKSONVILLE UNIVERSITY – Jacksonville, FL

**Professor of Diversified Learning**

Spring 2024

- Taught EDU 231: Meeting the Needs of Diverse Learners course to undergraduate students.
- Supported departmental outcome assessment and accreditation efforts, contributing to faculty meetings, serving on committees, and participating in scholarly teaching and learning activities.
- Developed course syllabi and lesson plans and applied teaching techniques to achieve course and programmatic objectives.
- Implemented active learning methodologies, such as problem-based learning (PBL), inquiry-based learning (IBL), and experiential learning, to foster student engagement and critical thinking.
- Integrated educational technology such as Blackboard, Canvas, adaptive learning platforms, and assistive technologies to enhance accessibility and student engagement.
- Engaged in research and professional development activities focused on diversified learning and inclusive education practices.

VERITAS CLASSICAL SCHOOL – St. Augustine, FL

**Secondary Science Teacher**

August 2023 – May 2024

- Maintained high expectations for student academic success and conduct by reinforcing school-wide rules and expectations.
- Utilized a blend of formal and informal assessments, including laboratory reports, quizzes, and project-based evaluations, to continuously monitor student progress in science, refine teaching strategies, and maintain accurate records.
- Collaborated closely with colleagues to develop a comprehensive science curriculum for grades 9-12, incorporating state standards and benchmarks into lesson plans to ensure student growth.
- Built strong relationships with fellow teachers, students, staff, and families.
- Implement assessments to monitor student progress and differentiated instruction effectively to meet students' individual needs.
- Strived to implement the district's philosophy of education and instructional goals and objectives through instruction and action.

ST. JOHNS COUNTY SCHOOL DISTRICT – St. Augustine, FL

1994 – July 2023

**Principal, Pedro Menendez High School**

2007 – July 2023

- Developed IB and AVID Academy Programs, strengthened curriculum alignment, increased student enrollment, and improved post-secondary outcomes through strategic program development and faculty training.
- Implemented reaction plans, transforming the school's "D" rating to a repeated "A" rating.
- Developed and facilitated professional learning communities (PLCs) to improve teaching effectiveness, classroom management, and student outcomes. Established student-led organizations and leadership training to empower learners with critical thinking, collaboration, and decision-making skills.

**Principal, Fruit Cove Middle School**

2001 - 2007

- Oversaw the planning, designing, and executing a large-scale school construction project, ensuring alignment with district growth projections, budget constraints, and community needs.
- Spearheaded strategic zoning initiatives that led to establishing Durbin Creek Elementary School (K-4) and Fruit Cove Middle School (5-8).
- Designed and introduced an innovative Gifted Program to challenge high-achieving students through differentiated instruction, accelerated coursework, and enrichment opportunities.
- Advanced Fruit Cove is one of Florida's top-performing middle schools by implementing data-driven instructional strategies, faculty development programs, and student-centered initiatives.
- Managed fiscal, equipment, and human resources to ensure efficient organizational goal accomplishment.

**Assistant Principal, Mill Creek Elementary School**

1994 - 2001

- Designed a comprehensive student performance monitoring system to identify academic challenges early and provide targeted interventions.
- Established a structured tutoring program, leveraging faculty, peer mentors, and community volunteers to support struggling students, resulting in measurable improvements in academic achievement and student confidence.
- Played a key role in constructing the on-campus O'Connell Medical Center.

**ADDITIONAL EXPERIENCE**

PUTNAM COUNTY SCHOOL DISTRICT – Palatka, FL

**Dean of Students, Price Middle School**

1991 – 1994

**Dean of Students/Science Teacher, Interlachen High School**

1990 – 1991

**Science Teacher, Interlachen High School**

1986 – 1988

VALDOSTA SCHOOL DISTRICT – Valdosta, GA

**Science Teacher, Valdosta Junior High School**

1988 – 1990

March 16, 2025

Dear St. Johns County School District Board Members:

We are writing this letter of recommendation for Dr. Clay Carmichael to be considered for the position of Superintendent for the St. Johns County School District. Clay has been a friend, neighbor and colleague for over twenty years.

We have witnessed Clay's ability to lead with humility and thoughtfulness, especially when he was the administrator responsible for the community hurricane shelter at Pedro Menendez High School. Even when Clay's own home was destroyed by a hurricane, he continued to serve the school district and community with a servant leader's attitude. He continually worked with law enforcement agencies as well as community leaders to provide a safe environment during the high stress time of hurricane seasons.

Clay's commitment to ensuring a safe and secure campus was a priority of his leadership. His collaboration with law enforcement agencies was evident during school hours and at extracurricular events.

During Clay's tenure as principal of PMHS, he provided accelerated educational opportunities for students by being supportive of the IB program and various career academies. He also met the needs of struggling students and was supportive of various ESE programs. Clay's commitment to the district's Character Counts program was visible to the community as he emphasized good character during all the graduation ceremonies.

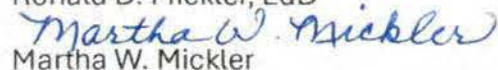

Since Clay's retirement from the St. Johns County School District, he has continued his love of learning and his service to others by volunteering at his daughter's elementary school as well as giving his volunteer time to other students. In addition, he taught middle school science in a small private school immediately after his retirement.

Currently, Clay is teaching full-time at the University of North Florida, where he is focusing on School Finance and Human Resources for doctoral and graduate students. He is also conducting research on how to better prepare students for the Florida Educational Leadership Examination. Clay has continued to stay involved with educating students, though he has been retired from the school district for several years. He continues to be actively involved with helping students of all ages and abilities.

Respectfully,

Ronald D. Mickler, EdD

Martha W. Mickler

To Whom It May Concern,

I am pleased to write this letter of recommendation for Dr. Clay Carmichael as a candidate for the next Superintendent of St. Johns County School District. I have had the privilege of working alongside him, and I consider him both a friend and a dedicated colleague in the important mission of shaping the next generation to reach their fullest potential.

In the 2023-2024 school year, Dr. Carmichael served as a valued member of the faculty at Veritas Classical School. He took on a long-term substitute position teaching science, quickly earning the respect and admiration of both students and staff. His passion for the students was contagious, and his ability to connect with them on an individual level was truly remarkable. Dr. Carmichael became a favorite among the students, not only for his expertise in the subject matter, but for his genuine care for their overall well-being beyond just academics.

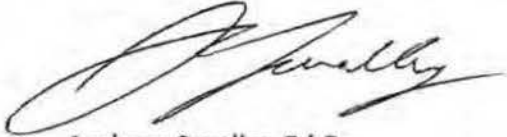

Dr. Carmichael is widely respected within our community. His experience as a front-line teacher, working with students in grades 7-11 in 2024, ensures that he remains connected to the realities and challenges of the classroom. He brings this invaluable perspective to the table, not a detachment from the day-to-day struggles that teachers face. Furthermore, he has demonstrated the ability to take direction and offer guidance, always respecting the administration and never pushing his extensive experience in an authoritarian way.

In addition to his work with our students, Dr. Carmichael has excelled as an Adjunct Professor of Education at the University of North Florida, where he has taught and mentored adult learners. His expertise in this area is well recognized, evidenced by the award he received for his contributions. He approaches his work with the same enthusiasm and care for his adult students as he does for his younger learners at Veritas.

Above all, I can personally attest to Dr. Carmichael's exemplary moral character. He is a man of integrity, reliability, and honesty. Supported by his wife and children, he remains grounded and confident in his commitment to doing what is right for the individuals and communities he serves.

It is with great confidence and without reservation that I recommend Dr. Clay Carmichael for the role of Superintendent. I am certain that he will bring the same dedication, passion, and tireless work ethic to this position as he has in all his past endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Smalley". The signature is fluid and cursive, with a large initial "A" and a long, sweeping underline.

**Andrew Smalley Ed.D**

19 March 2025

Dear Madame or Sir,

I am writing to express my unmitigated support for the candidacy of Dr. Clay Carmichael to become the next Superintendent of Schools for St. Johns County School District. I have had the pleasure of knowing Dr. Carmichael for over 25 years, first getting to know him on the successful campaign of Dr. Bill Proctor of Flagler College for State Representative. I immediately found him to be a person of utmost integrity, infectious congeniality and unsurpassed competence as an educator and leader. Dr. Carmichael's dedication to the education of St. Johns County students spans 4 decades and his accomplishments are truly admirable. As Principal of Pedro Menendez High School, he was named Principal of the Year in St. Johns County and was also named the Literacy Principal of the Year for all of Florida. At one point, he was the longest-tenured Principal in the state of Florida. He was recognized by the St. Augustine Record as one of the top ten people in our community who make a difference. He has served as an Adjunct Professor at the University of North Florida and taught ESE-based strategies at Jacksonville University. He is currently teaching as a full-time professor at the University of Florida as an instructor in Finance and Human Resources to graduate-level students, as well as continuing to volunteer at Hartley Elementary and serving on several of the various academy boards through the county's high schools.

I most recently had the pleasure of observing Dr. Carmichael serve as a science teacher during my daughter's junior year of high school at a small private school. He proved a highly engaging and motivating teacher, who was universally respected by both his students and the faculty with whom he worked. I noted that, despite his former lengthy tenure as the Principal of a major area high school, he had no issue with coming back into the classroom and subordinating himself to another Principal's overall leadership. Such humility and unconcern with what

might be others' perception of the status of position is often the mark of someone truly fitted to being in leadership.

I have had the good fortune of knowing, to a greater or lesser extent, each Superintendent of Schools for St. Johns County since W. Douglas Hartley. I can say without hesitation or reservation that Dr. Clay Carmichael is well-positioned to continue serving our community, with great distinction, in this position of high responsibility. He is someone that cares deeply about students, will be highly collaborative in working with the School Board, and who will continue to promote and exemplify the excellence that the St. Johns County School District represents.

Most Sincerely,

Matt Baker

President, ThompsonBaker Agency, Inc.
