2025-26 Florida School District Revenue Sharing Survey
Due March 31, 2026

Section 1002.33(17)(i), Florida Statutes, states that each school district shall provide to the Florida Department of Education a summary report of local revenue shared with charter schools. The following template is provided to assist in the collection of this data.

Please do not alter this template in any way. Enter data only where allowed and do not delete or add rows/columns. Failure to submit an unaltered template will result in the need for resubmission.

1. Complete the following table:

2. Once a district has been selected from the drop-down menu above, select the button below to generate your district's school list. If you encounter a security warning regarding macros, save the file to your computer, close and reopen it and select "Enable Macros" in yellow ribbon. Select the button below. If issues persist, contact OFFRSurveys@fldoe.org.

3. Navigate to the "Survey" tab and enter amounts on each charter school received in the listed categories. This tab will not appear until a district has been chosen and the school list has been generated. The sections available to be completed, which are indicated in rows 1 and 2 of the "Survey" tab, are as follows:

- **Section A - Discretionary Half-Cent Sales Surtax**
- **Section B - Voted District School Operating Millage**
- **Section C - Nonvoted District School Capital Improvement Millage**

The values for section C are prefilled. If the district recalculated that amount, it may be overwritten.

If no revenue was shared for a specific item, enter 0 for that cell. If this tab has been completed correctly, the cells below should be flagged as green and done.

Number of charter schools	4
Number of schools with data entered and finalized	4
'----->	**Done**

4. Ensure that the box below says "Ready to Submit," then email this file to OFFRSurveys@fldoe.org.
