Annual School – Community Partnership Agreement

Dear Partner,

Thank you for your willingness to participate in the Business in Education Program. School-Community partnerships are agreements between a business, agency, or organization and a school or the district to work together for the purpose of enhancing education. Partnerships may be formed at any time, and should remain in effect for the duration of a school year. Partners should formalize or renew their partnerships annually by completing a new Partnership Agreement Form outlining proposed activities for each new school year.

In order to maintain an accurate partner database from year to year, it is important that you provide the information requested below. If you have any questions or have any changes to this information during the school year (address, phone, contact person, etc.) please notify the St. Johns County School District volunteer office at 547-3945.
