Parent Survey #2 Results

As we plan to re-open for the 2020-2021 school year, we continue to seek parent input. Thank you in advance for taking the time to provide us your feedback. This survey will close on Thursday, June 18, 2020.

The State released its health and instructional recommendations in the Reopening Florida Schools and the CARES Act plan on June 11th. The health recommendations are listed on pages 35-71 of the plan (<http://www.fldoe.org/core/fileparse.php/19861/urlt/FLDOEReopeningCARESAct.pdf>). These recommendations are embedded within our school-based health protocols and are differentiated by level of community spread. The St. Johns County School District proposed academic model for the 2020-2021 school year and the proposed health protocols are listed here: (<https://www.stjohns.k12.fl.us/online-learning/proposed/>)
