

Parent Survey

Exceptional Student Education

Your Input is Important

Each year, the Florida Department of Education (FDOE) conducts a survey designed to provide FDOE and the United States Department of Education, Office of Special Education Programs, with information on how well Florida's schools are partnering with parents and promoting parent involvement in their child's education. The survey is open to all parents of children with an individual educational plan (IEP) receiving ESE services from preschool age through grade 12.

The 2022/2023 ESE Parent Survey is open beginning 3/22/2023 and will close on 6/20/2023. The survey can be completed at

Your responses will help guide efforts to improve services and results for children and families. All information provided will remain confidential. You may submit one online survey for each child receiving services.
