

**Please Note:**

This guide represents a recommended timeline and sequence to be used voluntarily by teachers for planning purposes. Specific questions regarding when content will actually be addressed in a specific course is best answered by the individual teacher. In general, teachers should remain within 1-2 weeks of the suggested pacing.

Teachers may use a wide variety of instructional materials throughout their course. Resources may include district adopted instructional resources or supplemental resources that align to the topic and/or standard.

DBQ Project Online

\* There will be one predetermined/required DBQ per quarter. These are yet to be determined and will be added into the YAG and curriculum map as soon as possible.

\* This pacing includes one week embedded for midterm review in December and slightly less than one week embedded for final exam review in June.

\* Required Instruction per Florida statute is embedded at several points throughout the year.
