State Standards	
World Cultural Geography	

Please Note:

This guide represents a recommended timeline and sequence to be used voluntarily by teachers for planning purposes. Specific questions regarding when content will be addressed in a specific course is best answered by the individual teacher. In general, teachers should remain within 1-2 weeks of the suggested pacing.

Teachers may use a wide variety of instructional materials throughout their course. Resources may include district adopted instructional resources or additional supplemental resources that align to the instructional standards.
